Entries

- All entries must be submitted through Club Secretary (or club appointee). Entries should be completed on the forms provided in this booklet and must contain full details as required on the form.
- **Entries are to be in the hands of the Sub Centre Match Convenor by the specified closing date and time.**
- Any entry submitted in an incomplete format (e.g. without names of team members) may not be accepted.

- Late entries are accepted only at the discretion of the Sub Centre Match Committee.
- Any withdrawal of a player or team from a competition must be notified to the Match Convenor.

Plural Membership

A player, who is a full playing member of more than one club in the Sub Centre, can now play for any club she/he is a member of in any competition.

Plural members can play in any one discipline at one club only. E.g. they can only play Singles at **One** club, there is no restriction on them playing singles at one club and pairs at another, or any combination of disciplines as required so long as they play each discipline at only one club—note also that this rule shall apply to substitutions and replacements.

Score Cards

- The skip shall be responsible for the score card in all disciplines.
- The score card must be completed **clearly and in full** for every game.

- The names of all players and the time the game finished must be entered, and the score card must be signed by both skips.

Results

Recorders will be provided with appropriate cards/sheets/forms to complete for each competition round. Instructions will be given with appropriate forms and should be followed. It is important that results are accurate. All teams should send in results regardless of home or away, win or lose.

Umpires

Umpires are organised for each Sub Centre competition held at Club greens in consultation with the Mid Canterbury Bowling Umpires Association. Clubs must provide an umpire or a competent neutral person to officiate on Interclub days.

Clubs are encouraged to ensure that they have at least one qualified Umpire in their membership, and more if possible.

Substitutes and Replacement Players.

A substitute is a player who is temporarily taking the place of an original team member and cannot skip the team.

A replacement is a player who is permanently taking the place of an original team member and this person can play in any position.

Substitutes and/or replacements shall be permitted in accordance with the Laws of the Sport of Bowls (Crystal Mark 3rd Edition April 2015), and Bowls New Zealand Regulations.

- For Champion of Champion Events clubs wishing to apply to use a substitute or replacement player must do so in writing on the approved form as contained in this booklet.
- Application for a substitute or replacement player should be made as soon as the need for a replacement is known and must be in the hands of the Match Committee no later than one hour before play is due to commence. Clubs may phone Tournament Convenor in advance of an event to notify the intention to present a replacement player application prior to the start of play in an event.
- Applications from Clubs will be considered for the following reasons: accident, illness, family bereavement, work commitments. Other individual exceptional circumstances may be considered for approval at the discretion of the controlling body, but must be consistent with Bowls NZ regulations.
- The Match Committee, as the Controlling Body for Champion of Champion Events, will decide on the eligibility of any substitute or replacement player prior to the commencement of a competition, and notify the Club/Player of their decision.
- Failure to provide written application for a replacement player as required prior to any competition commencing will result in disqualification from participation in that competition.
- Where a player qualifies for a National/Centre event that are scheduled to be played on the same day, a replacement player shall be allowed, except for Singles events.
